Professor Carl Chinn MBE, Ph.D., F.Birm.Soc.

Professor Carl Chinn MBE Ph.D. is a social historian with a national profile, writer, teacher, tour guide, and public speaker. An off-course bookmaker until 1984, he is the son and grandson of illegal bookmakers in Sparkbrook, whilst his mother's family were factory workers in Aston. His writings and broadcasting are deeply affected by his family's working-class background and life in the back-to-backs of Birmingham, and he believes passionately that history must be democratised because each and every person has made their mark upon history and has a story to tell.
